WEBSITE

COOKIE POLICY

This Policy has been prepared by **Dias Bilişim ve Teknoloji Hizmetleri Anonim Şirketi ("DIAS")** in its capacity as the data controller, in accordance with Article 10 of the Personal Data Protection Law No. 6698 ("Law") and the Communiqué on the Procedures and Principles to be followed in fulfilling the obligation to provide information.

As **DIAS**, we use first party and third-party cookies in certain areas of the website located at https://diasteknoloji.com/ ("Site"). This Cookie Policy ("Policy") applies to the Site managed by **DIAS**, and cookies will be used as described in this Policy.

The purpose of this Policy is to inform you about the types of cookies we use and for what purposes, as well as how you can manage these cookies, regarding the processing of personal data automatically collected through the placement of cookies on your device on our website. For cookies other than the essential cookies we use on our website, users' explicit consent is obtained, and users are provided with the option to change their consent preferences at any time.

Users can view the types of cookies used on our website through the cookie management panel and set their preferences for all cookies other than essential cookies. Users also have the option to change their preferences at any time through this panel.

What Are Cookies?

Cookies are small text files created on your device by a website that store data in a name-value format. Cookies allow the website you visit to store information on your device and use that information during your subsequent visits. Cookies created by a website are stored by the web browser you use to access the site; they do not contain personal data such as the visitor's name, gender, or physical address. The information contained in cookies is accessible only if you use the same web browser and only by the website domain that created the relevant cookie via DIAS.

Cookies have become an integral part of internet technology today; their primary functions are to remember an online visitor's preferences and recognize the device during a connection, and nearly every website uses cookies.

Who Sends Cookies and How?

Cookies are sent via the communication established between your web browser *(Chrome, Firefox, Safari, Edge, etc.)* on your device and the website servers operated by **DIAS** during your browsing session.

Types of Cookies:

- By Ownership:
  - **First-Party Cookies**
    These are placed on your device directly by the website you are visiting or by **DIAS**.
  - **Third-Party Cookies**
    These are cookies placed on the device by a third party, such as an advertiser or analytics system, in collaboration with **DIAS**.
- By Duration:
  - **Session Cookies**
    These cookies provide data that can be stored until the user closes the browser or the session ends. They are short-term cookies.
  - **Persistent Cookies**
    These are cookies that remain on the device until the user deletes them or until a specific expiration date set for the cookie. The code for persistent cookies contains a written expiration date with a variable duration.
- By Purpose:
  - **Essential Cookies**
    These are cookies necessary for using features such as navigating the website and accessing secure areas of the site.
  - **Functional Cookies**
    These cookies allow the website to remember past selections (username, password, preferred language, etc.). Preference cookies, which enable automatic login to the website, are also referred to as functional cookies.
  - **Statistical Cookies**
    Also known as performance cookies, these cookies provide anonymous, statistical data regarding the use of the website. Statistical cookies can store information about how a user interacts with the website, including the pages they visit and the links they click. These cookies are anonymized and are not used to identify individual website users. Their purpose is to make the website more functional.

Advertising and Marketing Cookies

These are cookies that may be used by companies to create a profile of your interests and display relevant ads on other sites.

Purposes and Legal Grounds for Processing Personal Data

Essential cookies are used to provide an information society service you have requested (such as logging in, filling out forms, and remembering privacy preferences). Your personal data collected through these cookies is processed in accordance with Article 5, Paragraph 2, Subparagraph (c) of the Law *"Where the processing of personal data belonging to the parties to a contract is necessary for the conclusion or performance of the contract"* or subparagraph (f), "Where the processing *of personal data* is *necessary for the legitimate interests of the data controller, provided that* such processing *does not infringe upon the fundamental rights and freedoms of the data subject*."

Advertising and marketing cookies are used by our business partners to create a profile based on your interests and to display relevant advertisements to you. Your personal data collected through these cookies is processed pursuant to Paragraph 1 of Article 5 of the Law, based on your explicit consent.

Statistical cookies are cookies that enable statistical measurement to analyze user behavior on websites. These cookies are frequently used to improve the site, including measuring the impact of advertisements on relevant audiences. Website owners use them to estimate the number of unique visitors, identify the most important search engine keywords leading to a web page, or track navigation patterns on the website. Your personal data collected through these cookies is processed with your explicit consent, in accordance with Article 5, Paragraph 1 of the Law.

Functional cookies are used to make our website more functional and personalized (to ensure that your preferences -excluding your privacy preferences- are remembered when you return to the site). Your personal data collected through these cookies is processed upon obtaining your explicit consent in accordance with Article 5, Paragraph 1 of the Law.

Information About Cookies Used on Our Site

Cookie Name	Purpose of the Cookie	Cookie Type	Cookie Duration
_ga	This cookie is used to store a unique ID to generate statistical data on how users interact with the website. By consenting to the use of this cookie, which is provided through the Google Analytics platform, you are deemed to have consented to the transfer of your personal data outside the country.	Statistics Cookies	2 years
_ga_<container>	This cookie is used by Google Analytics to track the user's session and interactions on	Statistics Cookies	2 years

	the website, generate statistical data regarding website usage, and analyze service performance. By consenting to the use of this cookie, which is provided through the Google Analytics platform, you are deemed to have consented to the transfer of your personal data abroad.		
_GRECAPTCHA	This cookie is used by the Google reCAPTCHA service to protect the website against malicious use, verify real users, and prevent automated bot activity. By consenting to the use of this cookie, which is provided through the Google reCAPTCHA infrastructure, you are deemed to have consented to the transfer of your personal data abroad.	Required	6 months

Transfer of Personal Data Processed Through Cookies

As part of our activities conducted through cookies, your personal data is transferred to our suppliers for the purposes of customizing and improving **DIAS** services for you, conducting marketing activities, carrying out and monitoring business operations, and managing the procurement processes for goods and services.

Additionally, if you consent to the advertising and marketing cookies and statistical cookies listed in the table above, your personal data will be processed on servers located abroad through third-party infrastructure providers based outside Turkiye, limited to the purpose of conducting storage and archiving activities. In this context, your personal data will be processed by service providers with servers located abroad, in accordance with Article 9 of the Personal Data Protection Law (KVKK), with the necessary technical and administrative measures in place.

Cookie Management

Our website uses essential cookies, which are necessary for the secure and proper functioning of the site, as well as cookies used based on your preferences. You may reject non-essential cookies via the cookie preference panel or your browser settings, or change your preferences at any time. However, if you disable cookies, you may not be able to fully utilize certain features of our website, the quality of your user experience may decrease, and some functions may not

work as expected. In particular, essential cookies are used to ensure that our website performs its basic functions and operates securely. If these cookies are blocked, some functions of our website may not work as intended.

You can click the *"Save Preferences"* button after setting the buttons in the cookie management panel to "On" or "Off" according to your preferences and then refresh the page to apply your settings.

Although many web browsers accept cookies by default, you can reject or delete cookies through your browser's settings. For detailed information on how to adjust your browser settings, please refer to your browser's help section. You can also access information on managing cookies in commonly used browsers via the links below:

Requests from Data Subjects

Regarding your personal data, as listed in Article 11 of the KVKK:

- The right to learn whether your personal data is being processed,
- The right to request information regarding the processing of personal data,
- To learn the purpose of the processing of personal data and whether it is being used in accordance with that purpose,
- To know the third parties to whom personal data has been transferred, whether within the country or abroad,
- To request the correction of personal data if it has been processed incompletely or incorrectly,
- To request the erasure or destruction of personal data within the framework of the conditions set forth in the KVKK legislation,
- If you request the correction of incomplete or incorrect data or the erasure or destruction of your personal data, to request that this be notified to the third parties to whom your personal data has been transferred,

- To object to a decision made solely through the automated processing of data that adversely affects you, and
- To request compensation for damages suffered as a result of the unlawful processing of personal data.

You may exercise these rights and submit your requests regarding your processed personal data by using the email address registered in our systems through the application, or by sending a message to the registered electronic mail (KEP) address **diasbilisim@hs03.kep.tr** using a registered electronic mail (KEP) address along with a secure electronic signature or mobile signature, or in writing to the following address: **Barbaros Mah. Begonya Sk. Nidakule Kuzey Ataşehir No:3E, İç Kapı No:5**, **Ataşehir/Istanbul**. Additionally, you may choose to use the other methods specified in the Communiqué on the Procedures and Principles for Applications to the Data Controller.

Requests regarding your rights as set forth in Article 11 of the Personal Data Protection Law (KVKK) will be resolved free of charge as soon as possible and no later than thirty days, depending on the nature of the request. However, if the process incurs additional costs, you may be charged a fee in accordance with the tariff determined by the Personal Data Protection Board.
